Keys

2 Poops & a Scoop, Inc. (Hereafter referred to as TWO POOPS) will need to retain two sets of house keys. One will be kept in a lock box in our office in case of emergency; the other will go with the pet sitter or walker.

I release my house keys to TWO POOPS to keep on file, in a secured location, for future services. I may revoke this release at any time, at which time my keys will be returned. Functioning keys must be supplied for both top and bottom locks. TWO POOPS is not responsible for locksmith fees if your keys do not work, and we need to attend to your dog.
